 - Total Material for disposal: 2,096 tons
 - Total Material recycled: 1499 tons
 - Total Percentage Recycled: 72%

Major Work activities this week:

- Night shift work is probable at the intersection of 14th Ave and Jefferson St. to install utility lines into existing manhole structure. This work is being performed at night in an effort to reduce impacts on traffic at this very busy intersection. The proposed work will continue throughout the week. This night work has been approved by the City of Olympia.
- Excavation activities will continue.
- Haul trucks for excavation will enter the site off Jefferson St. onto Wheeler Ave and exit onto 14th Ave from Cherry St.
- Installation of rock base course will commence at select areas at the bottom of the excavation.
- Shoring wall installation will continue.
- De-watering wells will be drilled approx. 50 feet deep around the perimeter of the excavation; 6 wells total.

Street Closures / Impacts:

- During night shift work, Jefferson will be closed in both directions and a detour will be in place to Capitol Way and Maple Park Dr. Traffic lanes approaching the intersection will be modified for construction work. At the end of the shift, steel plates and temporary asphalt will be placed and normal traffic conditions will be restored by 7:00 AM. Adjacent sidewalks will be closed in the evenings around this work activity and re-opened during the day.
- Flaggers will be posted at the site entrance at Jefferson St and exit at 14th Ave to assist haul trucks entering and leaving the site.
- On-street parking on the north side of 16th Ave is to be closed between Jefferson St and Cherry St.

Deliveries:

- Deliveries will occur daily and will be routed predominantly off Jefferson St. onto Wheeler Ave.
